NFK GLAZING & INDUSTRIAL SUPPLIES

Professional Products for the Glass & Glazing industry

Frameless Shower-Screen Hardware | Brackets

90° "Sleeve Over" Clamp

- 90° "Sleeve Over" Glass Clamp with PVC clear gaskets
- For use with glass from 8mm to 12mm thick
- Square profile
- No glass fabrication required
- Manufactured from high-quality brass
- Eliminates glass panel misalignment at the top edge of the glass
- Great for holding glass panels together while silicone sealant cures
- Keeps panels from separating over time

finish	glass thickness	code
